Hello Everyone,

I wanted to reach out and thank all of you for the warm welcome! It is wonderful to know that I am part of such a supportive and loving community. As we get ready to open this Fall, I want to invite you all to check our web page weekly for any updates and information related to our school program.

We all remain committed to offering our community a superior program intentionally designed to support healthy growth and development. Our teachers and children thrive in a setting focused on our play-based curriculum.

Please feel free to call or email with questions and/or to set up a tour. Our spaces are filling fast and we would love to have your child attend our program. We do have in person tours by appointment, and I will be offering a short story time outdoors on the bench near our play yard on May 4th and May 6th at 10 am.

Have a great day,

Linda
